INSTITUTE OF INFORMATION TECHNOLOGY AND MANAGEMENT

Affiliated to Guru Gobind Singh Indraprastha University (GGSIU), Govt. of NCT of Delhi
Accredited Grade 'A' by NAAC, Approved by AICTE,
Rated as Category 'A+' by SFRC & 'A' by JAC Govt. of NCT of Delhi,
Recognized under Section 2(f) of UGC Act,
Ranked among Top 100 B-Schools.

VISION

The Institute aims to be a Centre of Excellence, promoting value based quality education in the contemporary areas of advanced professional studies in Information Technology, Management and Media studies.

MISSION

IITM endeavors

- To promote learning environment that delivers students with up to date curriculum & pedagogy equipping them with strong analytical mind, thinking ability, entrepreneurial and organizational skills required in a dynamic professional environment,
- To foster strategic alliance with industry for real time business exposure,
- To inculcate human values like ethical, social and moral values amongst students.

PHILOSOPHY

- Quality Education (Academic Excellence skill & Leadership)
- Training (inclusive of Upskill, Reskill)
- Consistency
- Empathy & Understanding
- Innovation

Dear Readers,

We're thrilled to present the latest newsletter, highlighting the exciting activities that happened within our academic community. JIGYASA, our event catalog, started with great enthusiasm, setting a promising tone for upcoming activities.

Last semester was filled with moments of pride and achievement as our students excelled in various fields, bringing laurels to our institute. This success is entirely credited to the tireless dedication of the IITM management and staff, who consistently gave their best to institute events and activities, creating an environment conducive to student growth and success. We extend our sincere gratitude to the entire IITM community for their efforts.

Special recognition is owed to our students, whose active participation in academics and extracurriculars enriches the pride of our institute. Their enthusiasm significantly contributes to the vibrant academic culture we cherish.

As we celebrate our accomplishments and look forward to future endeavors, the newsletter stands as a testament to our institute's collective excellence and unity.

Best wishes,
Editorial Board

FROM THE CHAIRMAN'S DESK

Shri J. C. Sharma
(Chairman)

I am delighted to unveil the biannual edition of JIGYASA, a reflection of the vibrant academic and co-curricular spirit of the IITM community. At IITM, we believe that education is a continuous and evolving journey that transcends the boundaries of classrooms, encompassing recreational pursuits, community engagement, and social responsibility. The JIGYASA newsletter stands as a testament to IITM's journey since its inception. It not only chronicles the academic and co-curricular milestones of each semester but also celebrates the institution's outstanding achievements in placements and academics. We are devoted to fostering an environment where students refine vital competencies such as communication, critical thinking, analytical reasoning, problem-solving, teamwork, and collaboration. I wish all IITM members and students a successful, healthy and productive academic year ahead.

FROM THE DIRECTOR'S DESK

It gives me great pleasure to present this edition of JIGYASA, showcasing the achievements of IITM students. In today's fast-changing educational landscape, we aim not only to provide academic knowledge but also to instill values, adaptability, innovation, and social responsibility. At IITM, we are committed to nurturing future-ready professionals who excel in their careers and as responsible citizens. Our focus on curriculum advancement, modern infrastructure, and digital integration reflects our vision of holistic learning. Let us work together to make IITM a symbol of academic excellence, ethics, and societal impact. Wishing everyone an inspiring academic year ahead.

Prof. (Dr.) Rachita Rana
(Director)

ACADEMIC ACHIEVEMENTS

IITM is accredited with 'A' grade by NAAC. It is a Category 'A+' Institute judged by SFRC, Government of NCT of Delhi. The institute has been honored with top awards and rankings. IITM has been ranked 15th in Delhi NCR & 50th all over India as per Times B School Placement Ranking Survey 2024. It has also received a Certificate of Excellence in Technical Programme at the Times Business Awards. At IITM, we nurture excellence and inspire dreams. The institute has highly qualified faculty who not only focuses on academics but also imparts value-based quality education along with the development of effective communication skills, critical thinking skills and problem-solving skills in students. The faculty of IITM continuously strive to excel in their performance. Various co-curricular and extracurricular activities of the institute enable students to apply theoretical and practical knowledge to meet the corporate world's challenges.

STUDENTS ACHIEVEMENTS

Achievements determine a student's learning process and enhance academic performance. At IITM, students excel not only in academics but also in co-curricular activities like music, dance, and fieldwork, ensuring holistic growth. The institute recognizes and celebrates their achievements to boost confidence and inspire further success. Our students participated in various cultural, co-curricular, and many other competitions. With unwavering support from faculty, students apply their learning, develop critical thinking, and achieve their academic and career goals. Congratulations to all toppers and achievers for their dedication and hard work, bringing pride to IITM! These accomplishments not only highlight their talent but also reflect the institute's commitment to nurturing potential. Each milestone motivates students to aim higher, embrace new challenges, and become future-ready individuals. IITM continues to empower every learner to explore, excel, and create a lasting impact.

DEPARTMENT OF MANAGEMENT STUDIES

The Department of Management Studies is firmly committed to imparting quality education to students by developing their skills to make them industry-employable ready. The eminent personalities from the industry are regularly invited in the department to share their experiences and help students understand the gap to be filled between academia and industry. The Management department has organised FDPs to upgrade teaching and research skills of faculty. It has organised various workshops like workshops on Minor Projects, workshops on Tally International Certification, workshops on Financial Derivatives, etc. to keep students more proactive and giving them a flavor of the corporate world. The students are also undergoing various Massive Open Online Courses (MOOC) from NPTEL, Swayam, Alison, Intershala, Edx, and an E-Learning programs conducted by NIESBUD. Apart from this, the department always motivates students to participate in curricular & co-curricular events held in-house and by other institutions. To promote learning skills and to develop creative and inventive thinking in students, the department organizes industrial and educational visits. The management club also organizes events covering every functional area of management such as HR, Marketing and Finance both at inter and intra- college levels. In addition, the department also motivates students to write and present research papers at IITM and other institutes.

PILLARS OF IITM

ADMINISTRATIVE & SUPPORTING STAFF

VISION OF MANAGEMENT STUDIES

Department of Management Studies aims to promote value-based quality education to the students, impart skills & training in the management and allied areas.

MISSION OF MANAGEMENT STUDIES

Department of Management Studies (DMS) strives

- To prepare students as professionals through interactive, research-driven and experiential learning which is well integrated in the pedagogy.
- To provide a multidisciplinary environment for life-long learning that shall be focused on skilling, reskilling and upskilling, thereby equipping students with abilities necessary to succeed in a diverse, global business environment.
- To cultivate a diverse and inclusive ecosystem through innovative entrepreneurship, constructive public engagement and proactive community involvement engendering socially responsible decision makers.

Program Outcomes, Program Specific Outcomes & Program Educational Objectives of MBA Program

Program Outcomes (PO):

- PO1: Understand and apply management concepts, principles, and theories in organizational practices.
- PO2: Use analytical and critical thinking to assess business environments, opportunities, and risks.
- PO3: Formulate and implement integrated business, functional, and operational strategies.
- PO4: Make informed decisions on resource mobilization and efficient utilization.
- PO5: Analyze management problems, gather relevant data, and apply creative solutions.
- PO6: Recommend IT-based interventions to achieve organizational goals.
- PO7: Uphold good governance, ethics, CSR, and long-term societal welfare.
- PO8: Demonstrate effective communication, teamwork, and leadership skills.
- PO9: Adopt lifelong learning for professional, personal, and social excellence.

Program Specific Outcomes (PSO):

- PSO1: Demonstrate discipline and interdisciplinary knowledge in management and allied areas for impact-oriented decision-making.
- PSO2: Apply professional, critical, and analytical thinking skills to solve problems across management domains.
- PSO3: Design and implement innovative business strategies, showcasing research proficiency in real-world corporate scenarios.
- PSO4: Exhibit interpersonal and social skills, lifelong learning, entrepreneurial acumen, leadership, and adaptability to dynamic business environments.

Program Educational Objectives (PEO):

- PEO1: Equip students with domain knowledge, professional skills, and aptitude for effective leadership in a global environment.
- PEO2: Foster societal, ethical, and ecological responsibility, shaping students into lifelong learners and responsible citizens.
- PEO3: Develop practical skills and research capabilities to encourage creative and reflective thinking for dynamic corporate adaptation.
- PEO4: Build entrepreneurial, interpersonal, and collaborative skills through experiential and innovative learning methods.

Program Outcomes, Program Specific Outcomes and Program Educational Objectives of BBA Program

Program Outcomes (POs):

- PO1: Develop conceptual knowledge and understanding of management theories and practices.
- PO2: Apply critical and analytical thinking for effective business decision-making.
- PO3: Enhance communication and leadership skills to navigate dynamic, global business environments.
- PO4: Use business intelligence and research to create innovative solutions for varied business situations.
- PO5: Promote responsible citizenship, sustainability, and respect for diverse cultures with universal values.

Program Specific Outcomes (PSOs):

- PSO 1: Apply reflective thinking and research skills using latest technological tools
- PSO 2: Assimilate technical functional knowledge of operations in business organization
- PSO 3: Demonstrate strategic and proactive thinking towards business decision making
- PSO 4: Illustrate negotiation skills and networking abilities

Program Educational Objectives (PEOs):

- PEO1: Develop leadership and communication skills to prepare students as successful business leaders and managers.
- PEO2: Foster critical thinking, analytical ability, and initiative in students.
- PEO3: Enhance problem-solving skills through experiential learning and innovative pedagogy for effective knowledge application in careers.
- PEO4: Build awareness of the dynamic business environment aligned with global imperatives and ethical values.

Program Outcomes and Program Specific Outcomes of B.COM(H) Program

Program Outcomes:

- PO1: Develop comprehensive understanding of overall business and financial environment in India
- PO2: Exhibit in-depth knowledge of financial operations and decision making in an organisation
- PO3: Enhance problem-solving abilities for decision making in financial services and operations
- PO4: Augment critical thinking skills and analytical abilities to analyze business data using various techniques and technological tools
- PO5: Communicate effectively, articulate accurately and present professionally
- PO6: Create an inclusive culture with congenial interpersonal relationships
- PO7: Lead productive and proactive teams
- PO8: Demonstrate awareness of ethical issues and sensitivity towards social and environmental challenges
- PO9: Execute a Research Project using appropriate Research Design and suitable Data Analysis Techniques

Program Specific Outcomes:

- PSO1: Demonstrate an understanding of technological interventions in Finance
- PSO2: Augment skills for investments and trading in capital markets
- PSO3: Develop understanding on Banking and Financial services in India
- PSO4: Apply quantitative techniques and tools in Commerce
- PSO5: Imbibe human values and sense of responsibility towards self, society and environment
- PSO6: Undergo holistic personality development with skills for effective functioning

DEPARTMENT OF INFORMATION TECHNOLOGY

The Institute of Information Technology and Management Janakpuri established the Department of Information Technology in 1999. Committed to fostering innovation in the field of Information Technology, the department has implemented best practices to enhance quality and ensure the sustained excellence of its operations. Over the years, our MCA and BCA students have consistently excelled, securing top positions in university results. The department places a strong emphasis on facilitating the best placement opportunities for students, with sessions on Technical Support and Aptitude forming a core part of its pre-placement support. Eminent industry professionals are invited to conduct these sessions, contributing to the holistic development of students. The department also actively engages students with emerging technologies through consultancy for industry projects and value-oriented initiatives.

To stay current with the latest technologies, the CS department organizes Project Trainings during winter and summer vacations, focusing on emerging technologies. Students successfully complete certification courses from reputable platforms such as TCS, ICT Academy, Coursera, Edx, etc. Furthermore, the department encourages both faculty members and students to enroll in MOOCs courses. The Department of Computer Science maintains a research orientation in diverse fields, including Artificial Intelligence, Data Mining, Machine Learning, Security, and Data Analytics. Students actively participate in both curricular and extracurricular activities, ensuring a well-rounded educational experience at the institute.

VISION OF IT DEPARTMENT

The Department of Computer Science aims to promote value based quality education to the students and impart skills and training in the field of information technology and allied areas to meet the industry demands.

MISSION OF IT DEPARTMENT

The Department of Computer Science strives

- To deliver rigorous education in computer science through innovative pedagogy that empowers students with the knowledge and skills required to excel in a dynamic technological landscape.
- To foster multidisciplinary knowledge, skills and collaborations by promoting ethical standards and responsible innovation through learn-unlearn and relearn to enhance societal impact.
- To cultivate professional excellence and entrepreneurial skills by integrating industry-relevant knowledge with hands-on experience to equip students to lead, innovate, and create impactful solutions in global environment.

Program Educational Objectives (PEOs) of Computer Science Department

Program Outcomes of BCA Program

- PO1: Apply computer application and domain knowledge to solve IT industry problems.
- PO2: Identify, analyze, and review complex computing problems for workplace and societal needs.
- PO3: Design and evaluate solutions and processes considering health, safety, cultural, societal, and environmental aspects.
- PO4: Select and apply appropriate modern computing tools with awareness of their limitations.
- PO5: Adhere to professional ethics, cyber laws, and norms of computing practice.
- PO6: Engage in lifelong independent learning for continuous professional growth.
- PO7: Apply computing and management principles for project management and teamwork in multidisciplinary settings.
- PO8: Communicate effectively through reports, documentation, presentations, and teamwork.
- PO9: Address societal, environmental, health, safety, legal, and cultural issues in professional computing contexts.
- PO10: Pursue innovation and entrepreneurship to create value and benefit society.

Program Specific Outcomes (PSOs) for BCA Program

- PSO1: Possess comprehensive and coherent knowledge of computer applications, domains, and emerging developments in Computer Science & IT.
- PSO2: Apply practical, professional, and procedural knowledge for skilled work in IT, self-employment, and entrepreneurship.
- PSO3: Demonstrate specialized skills in chosen areas, handling varied routine and non-routine contexts in computer applications.
- PSO4: Adapt learned concepts to real-life situations, applying competencies to unfamiliar contexts for problem-solving.

Program Educational Objectives:

- PEO1: Demonstrate technical, practical, and professional knowledge with continuous learning for global career readiness.
- PEO2: Apply core computer science principles, critical thinking, and problem-solving to innovate and address complex technological challenges.
- PEO3: Uphold ethical standards, show social and environmental responsibility, and promote sustainable practices through professional achievements.
- PEO4: Exhibit strong communication and teamwork skills for effective collaboration in diverse professional settings.

Program Outcomes, Program Specific Outcomes & Program Educational Objectives of MCA Program

Program Outcomes (PO):

- PO1: Apply computing, math, and domain knowledge.
- PO2: Analyze and solve complex problems.
- PO3: Design efficient and safe solutions.
- PO4: Investigate and draw valid conclusions.
- PO5: Use modern tools effectively.
- PO6: Practice computing ethically.
- PO7: Engage in lifelong learning.
- PO8: Apply management to projects.
- PO9: Communicate effectively in reports/presentations.
- PO10: Address societal and environmental issues.
- PO11: Work effectively in teams.
- PO12: Apply innovation and entrepreneurship.

Programme Education Objectives (PEOs) – MCA

- PEO1: Demonstrate professional competence and knowledge as successful technocrats.
- PEO2: Apply creativity and innovation to solve real-life complex problems.
- PEO3: Pursue lifelong learning and contribute to society's betterment.
- PEO4: Lead effectively and face challenges of the dynamic global world.

Industry Institute Partnership Cell (IIPC) of IITM Janakpuri was established in 2004 for enhancing interface between the Institute and Industry. This Cell identifies the industrial expectations and promotes institutional preparation for meeting industrial needs by facilitating internship, seminars, workshops, placement and various other industrial training programs. Industry Institute partnership also reflects in equipping faculty to latest practices and makes the students industryready by providing exposure to current industry practices.

It helps students hone their skills to adapt to changing technologies. The primary focus of IIPC is to interact with major companies across different industries to establish partnership in near future. The Central T & P Cell is committed to meet the career objectives of students and cater to the Human Resource needs of Organizations interested in conducting campus interviews for placements of students passing out from IITM.

The objectives of the cell are:

- To arrange pre-placement training to the students.
- To identify opportunities for student to do project work in Industries.
- To encourage the department level tie-ups or MoUs with Industries for the mutual benefit.
- To enrich the teaching learning process through identified industrial training / visit.
- To invite industry experts for guest lectures, seminars and expertise sharing.
- To assist the industry in the selection of suitable candidates to fill up job positions through campus interviews and provide career guidance to students.

InternWare – The Internship Cell (Aspire to Inspire!):

- [InternWare Website](<https://iitminternware.com>)
- [InternWare Facebook Page](<https://facebook.com/internware>)
- [InternWare Instagram Page](<https://instagram.com/internware>)

When stepping into the corporate world, an introduction is more than a mere formality; it's an expansive exposure that delves into discovering one's dynamic skills and hidden potential. InternWare, the Internship Cell of IITM Janakpuri, was established by bright students on September 26, 2017, with the clear motive of assisting students in securing internships in their preferred roles and areas to gain relevant experience.

InternWare operates with a structured approach, hosting diverse events such as workshops, competitions, corporate sessions, and industrial visits to keep students engaged and prepare them for their corporate journey. Comprising five departments—Corporate Relations, Business Development, Management, Technical, and Qontent Media—InternWare functions like a small corporate entity, providing optimal exposure to team members. The cell continues to grow, selectively inducting team members with the best abilities and matching skills.

IITM has a duly formed Alumni Association namely “Institute of Information Technology & Management Alumni Association” since Jan 29, 2011. It is active and duly functioning with following major objectives.

- To promote and foster beneficial interaction between the Alumni and the Alma Mater.
- To undertake activities of nation building including those of charitable nature for overall betterment of society.
- To facilitate and encourage alumni to contribute towards improvement in the areas pertaining to infrastructure, industry interactions with institute.
- To generate corpus for creating better facilities for the institute community.
- To assist students of the institute through grants, scholarships and prizes or any other area as found important.

The Alumni Association has clear set of rules and regulations related to Membership, Subscription, Appeals, Termination of Membership, Re-Admission, General Body composition; its meetings and functions, formation of Executive Committee; its composition, election, tenure and functions which set the tone for smooth functioning of the association.

Alumni Association of IITM is registered with the Registrar of Societies, Govt. of Delhi under Societies Registration Act XXI of 1860 (Registration no: S/WEST/2011/8900163). The office of the Society is located at Institute of Information Technology & Management, D-29, Institutional Area, Janakpuri, New Delhi-110058.

Official contact: alumni@iitmipu.ac.in & 011-28525051, 28525882 Alumni Association prints its own **Annual Alumni Magazine – “Essence”** which gives an opportunity to Alumni to contribute articles in contemporary areas, share thoughts and advice with junior batches which can help them to progress in their career.

GUEST LECTURERS

MASTERING THE JLL CAMPUS DRIVE

The Department of Commerce, IITM organized an engaging Pre-Placement Session with Mr. Sambhav Kumar and Mr. Shaurya Verma, Finance Analysts at JLL, who shared valuable insights on JLL's recruitment process, finance analyst roles, key concepts like lease agreements and purchase orders, aptitude preparation, and interview strategies. The session proved to be a power-packed experience, helping students gain confidence and clarity for their placement journey!

“THE POWER OF CALM: STRESS MANAGEMENT FOR SUCCESS”

The Department of Management Studies, IITM, organized an Alumni Talk on “The Power of Calm: Stress Management for Success,” conducted by Ms. Arleen Kaur from Sunlife Financials. She shared practical techniques like mindful breathing, prioritization, and positive self-talk to manage stress. Students engaged actively through activities and a Q&A session on handling academic pressure. The session proved insightful, promoting mental well-being and personal growth.

GREEN MARKETING

The Department of Management, IITM organized a Guest Lecture on Green Marketing for BBA students, led by Dr. Aun Ahmed (Assistant Professor, IILM). He shared insights on sustainable business practices, ethical sourcing, and the role of consumer behavior in driving eco-friendly change, inspiring students to work towards a greener, responsible future.

DATA SCIENCE AND ITS FUTURE IN INDIA

The Department of Computer Science, IITM, organized a guest lecture on “Data Science and Its Future in India”, offering students an in-depth understanding of the evolving data science landscape. The session highlighted emerging trends, AI and big data applications, and career opportunities, providing practical insights into data-driven decision-making. Through interactive discussions with an industry expert, participants gained valuable knowledge to navigate and excel in this dynamic field.

PREDICTIVE POWER: DATA ANALYTICS & ML

The Department of Computer Science, IITM, organized a guest lecture on “Predictive Power: A Practical Guide to Data Analytics and Machine Learning” on April 21, 2025. The session offered students valuable insights into the core concepts and real-world applications of data analytics and machine learning, enhancing their understanding of emerging technologies and industry trends.

CORPORATE READINESS

Empowering Future Leaders!

IITM organized a guest lecture on Corporate Readiness, Self-Motivation, and Goal-Setting for BBA and B.Com students, led by Mr. Ashok Sangwan (Kyndryl Holdings). Students gained practical tips on communication, teamwork, time management, and interview preparation, building skills to succeed in the corporate world.

WORKSHOPS

GROUP DISCUSSION STRATEGIES

The Department of Management Studies, IITM organized a workshop on Strategies to Perform Well in Group Discussion for BBA and B.Com (Hons.) students. Dr. Chetan Bajaj highlighted the importance of GDs in corporate recruitment and conducted mock sessions with feedback. He guided students on improving communication, structuring information, and staying updated with current trends.

EXCEL & POWER BI: UNLOCKING THE POWER OF

The Commerce Club, Department of Commerce, IITM, in collaboration with Learning Links Foundation and Dell Technologies, concluded Day 3 of its training program “Excel & Power BI: Unlocking the Power of Data Analytics” with an advanced Power BI session. Students learned improved visualization techniques and created interactive, data-driven dashboards, enhancing their decision-making skills.

BULLRISERS: MASTERING SMART MONEY MOVES FOR FINANCIAL SUCCESS

The Department of Management Studies, IITM held a financial literacy workshop on 11th February 2025, in collaboration with Fintopedia. Mr. Nachiket Save led the session, focusing on smart money management and investment strategies. An interactive stock market simulation was conducted, with top performers Tanu Tyagi, Ayush Bajaj, and Ishpreet Singh recognized. The workshop effectively enhanced students' financial skills through practical, hands-on learning.

AI TOOLS FOR DATA ANALYTICS

The Department of Computer Science, IITM, in collaboration with VUI Live, organized a workshop on “AI Tools for Data Analytics” on February 2, 2025. The session, led by Mr. Akash Manchanda, Co-founder and Business Head of VUI Live, provided insights into AI-driven data analysis, predictive modeling, and real-world applications. The workshop offered participants practical exposure to AI tools, enhancing their analytical and decision-making skills.

SUSTAINABILITY THROUGH SMART TECHNOLOGY

The Environment & Sustainability Committee of IITM, in collaboration with the Eco Club, Delhi NCT, organized a workshop on “Sustainability Through Smart Technology” on 23 January 2025 led by Dr. Manzoor Ansari, Assistant Professor, IITM. The session engaged over 40 students in exploring innovative tools such as IoT, sensors, and Tinkercad to develop eco-friendly technological solutions. The workshop fostered awareness of sustainable practices and encouraged students to integrate technology for a greener future.

EXTRA CURRICULAR ACTIVITIES

INTER-COLLEGE POSTER MAKING COMPETITION

The ICC cell of IITM organized an Inter-College poster making competition on 10th Sep 2025 on the theme “Safe Spaces, Strong Voices” to promote inclusivity and empowerment. The event encouraged expression through art while raising awareness about creating respectful and safe environments. Posters were judged on creativity, relevance, presentation, and impact. Winners were Kishan Sahu (1st), Bhumi Rajpal (2nd), and Samridhi Batra (3rd).

TECHNO SAPIENS 2025

The Department of Computer Science, IITM, hosted Techno Sapiens 2025 on February 7–8, 2025 — a two-day tech fest celebrating innovation, creativity, and technology. The event featured 11 exciting competitions in coding, gaming, and innovation, along with engaging stalls, fun activities, and attractive prizes. With enthusiastic participation, Techno Sapiens 2025 provided a platform for students to showcase skills, network, and experience technology in an interactive and dynamic environment.

MIND-O-PEDIA

The Entrepreneurship Development (ED) Cell – Samriddhi of IITM organized Mind-O-Pedia 3.0, an inter-college business quiz competition, on February 11, 2025. The event saw enthusiastic participation from 12 colleges across DU and GGSIPU, with a total of 79 registrations. Designed to test business acumen and analytical thinking, the quiz featured three intellectually stimulating rounds that fostered competitive spirit and entrepreneurial learning.

ECO VISION 3D

The Environment and Sustainability Committee (ESC), in collaboration with the NSS Cell of IITM, organized EcoVision 3D — an inter-college 3D model-making competition held on March 6, 2025. Participants presented innovative models on real-world environmental issues such as climate change, deforestation, and sustainable transportation. The event successfully fostered environmental awareness while encouraging creativity and technical excellence among students.

EXTRA CURRICULAR ACTIVITIES

INTER-COLLEGE POSTER MAKING COMPETITION: WOMEN EMPOWERMENT

The Internal Complaint Committee of IITM, in collaboration with the NSS Cell, organized an Inter-College Poster Making Competition on Women Empowerment. The event encouraged participants to express their creativity through impactful visuals promoting gender equality and women's rights. The competition served as a platform to inspire awareness, artistic expression, and social responsibility among students.

AI PROJECT COMPETITION 2025

The Institute of Information Technology & Management (IITM) successfully hosted the AI Project Competition 2025 on May 2, 2025, showcasing student innovations in artificial intelligence. Second-year AI students presented projects addressing real-world applications, demonstrating remarkable creativity, technical skill, and problem-solving abilities. The event highlighted the institute's commitment to fostering innovation and practical learning in emerging technologies.

CELESTIA 1.0

NEXVERSE IITM, in collaboration with the Department of Computer Science, IITM Janakpuri, hosted Celestia 1.0 on April 17, 2025 — an inter-college festival blending creativity, technology, and strategy. The event featured diverse competitions including Designathon, BlindCode, Estate Empire, Market Mania, and Cosplay Carnival, offering students opportunities to showcase design, coding, strategic, and marketing skills. With enthusiastic participation, Celestia 1.0 celebrated innovation, talent, and collaborative spirit across multiple domains.

SEMINARS

UNION BUDGET 2024-25 ON INFRASTRUCTURE SECTOR

The Department of Management Studies at IITM organized a seminar on the Union Budget 2025, focusing on the Infrastructure sector, conducted by Ms. Divya Gupta on 8th February 2025. The session highlighted major initiatives like the ₹250 billion Maritime Development Fund, ₹11.21 trillion capital expenditure, and the modified UDAN scheme. Students discussed the budget's impact on infrastructure growth, investments, and policies. The interactive session enhanced their understanding of real-world economic policymaking.

CAREER BRANDING ESSENTIAL

The Department of Management Studies, IITM, organized a seminar on "Career Branding Essentials" for BBA first-year students. Conducted by alumna Ms. Shruti Rohilla, now a Junior Financial Analyst at JLL., the session focused on personal branding, resume/LinkedIn building, and networking skills. It was interactive and insightful, offering valuable career guidance. The event effectively supported students' professional development and internship readiness.

RESUME BUILDING

The Department of Management of IITM organized a seminar on "Resume Building for BBA III Semester students. Mr. Pawan Kumar, Senior Verbal Faculty at T.I.M.E., conducted the session focused on creating professional and impactful resumes. He highlighted the importance of showcasing skills, qualifications, and achievements effectively. Students were guided on resume formats, common errors, and tailoring resumes for different industries. An interactive Q&A session helped students gain practical insights and personalized feedback.

DELHI ELECTION QUIZ 2025

The NSS Cell of IITM, in collaboration with GGSIPU NSS Cell, organized the online “Delhi Election Quiz–2025” from 21st to 23rd January 2025 to promote voter awareness and civic responsibility. The quiz covered democratic principles, electoral processes, and the importance of informed voting. It offered certificates to all participants and cash prizes to three winners from each district. The event successfully encouraged youth participation in the democratic process.

“TOBACCO CONTROL & CESSATION”

GGSIPU conducted a “Training & Capacity Building Program for Nodal Officers on Tobacco Control & Cessation” on 22nd January 2025 at its Dwarka Campus. The program was organized in collaboration with the National Resource Centre for Oral Health and Tobacco Cessation under NOHP, MoHFW, and Maulana Azad Institute of Dental Sciences. It aimed to raise awareness and strengthen institutional capacity for tobacco control. Ms. Parul Sharma and Ms. Shweta Aneja, NSS Program Officers from IITM, attended the session.

VOTER AWARENESS SELFIE CAMPAIGN

The NSS Cell of IITM, in collaboration with Delhi Police, organized a Voter Awareness Selfie Campaign in the college premises at 12:00 PM. Around 100 students participated enthusiastically, promoting awareness about voting rights. The event fostered unity and patriotism among students while encouraging inclusivity and participation from first-time voters and women. The campaign’s success laid a strong foundation for future voter awareness initiatives.

NSS DRIVE

On February 4, the NSS and Environment & Sustainability Committee of IITM, in collaboration with the Ministry of Youth Affairs & Sports and NSS Cell GGSIPU, organized a “Traffic Management and Pollution-Less Campaign.” The event aimed to promote road safety and reduce pollution caused at traffic signals during red lights. Conducted at Sagarpur Main Red Light, the activity encouraged civic responsibility among students. It formed part of a broader initiative to engage youth in social service and address urban environmental challenges.

BLOOD DONATION CAMP

The Environment & Sustainability Committee (ESC) and NSS Cell of IITM, in collaboration with V Care Hospital, successfully organized a Blood Donation Camp on 6th February 2025. With over 90 participants and 70+ donors, the event promoted social responsibility and compassion among students and faculty. Donors received refreshments, a one-year valid Donor Card, souvenirs, and certificates as tokens of appreciation. The initiative reflected IITM's continued commitment to community welfare and social causes.

POSTER MAKING COMPETITION

The NSS Cell of GGSIPU, in collaboration with Bhagidari Jan Sahyog Samiti and Delhi Police, organized a Poster Making Competition for International Women's Day 2025 to raise awareness on violence against women and drug-related issues. Students created posters based on themes such as drug abuse, trafficking, and national drug laws. Four students from IITM participated and showcased their creativity at the event. .

DOCUMENTARY- MY NACO

On 9th March 2025, NACO, in collaboration with NSUT, organized "Documentary – My NACO" to raise awareness about HIV/AIDS prevention and public health. NSS volunteers from IITM actively participated in the documentary screening, discussion session, and a short documentary shoot. The event provided a platform for students to contribute to meaningful awareness campaigns. Certificates were awarded to all participants as a token of appreciation. Overall, the program promoted youth involvement, social responsibility, and community participation.

COLOUR QUEST

The Department of Commerce organized a painting competition titled "Colour Quest" under the theme Green Bharat, Clean Bharat to promote creativity and environmental awareness. Students from various backgrounds showcased their artistic talents, highlighting the importance of a greener and cleaner India. The event was coordinated by Dr. Raghav Jain and student coordinators Ms. Ansh Nagpal, Ms. Ananya, Ms. Rishita, Ms. Kritika, and Ms. Perna, with judging by Dr. Deepali Saluja and Mr. Sahil. The winners were 1st: Gaurav Gupta (BCA 2nd Year), 2nd: Divya Bhandari (B.Com Hons 3rd Year), 3rd: Munish (B.Com Hons 2nd Year).

INTERNATIONAL DAY AGAINST DRUG ABUSE

On 26th June 2025, the Department of Social Justice and Empowerment organized an event to observe the International Day Against Drug Abuse and Illicit Trafficking at Dr. B.R. Ambedkar International Centre, New Delhi. The program featured cultural performances, street plays, and a mass pledge ceremony promoting a drug-free lifestyle. Two students from IITM, Vansh Mishra and Vaani Dutta, attended the event. The initiative aimed to educate youth, encourage community participation, and reinforce the message: “Say No to Drugs, Say Yes to Life.”

CAMPAIGN: VOTER AWARENESS SELFIE CAMPAIGN

On 30 January 2025, the Institute of Information Technology & Management (IITM) successfully organized a Voter Awareness Programme in collaboration with the Delhi Police and the NSS Cell. The event aimed to educate and empower citizens, particularly the youth, about the importance of voting and their role in strengthening democracy. The programme brought together students, faculty members, and community representatives to promote voter literacy and encourage active participation in the electoral process.

CLOTH DONATION DRIVE

The Environment and Sustainability Committee of IITM, in collaboration with the Eco Club, NCT Delhi, and the NSS Cell, organized a Cloth Donation Drive on February 11, 2025, at Kali Basti, Uttam Nagar East. The initiative aimed to extend warmth and support to underprivileged communities through collective efforts. With enthusiastic volunteer participation, the drive exemplified compassion, social responsibility, and the spirit of giving back to society.

ANUGOONJ PRELIMS 2025

Anugoonj Prelims 2025 at Maharaja Surajmal Institute (Jan 20–22) brought together 67+ students from GGSIPU colleges for music, dance, drama, and cultural competitions. Judged on creativity and technique, the lively, well-organized event celebrated diversity and healthy competition. Key wins included first places in Battle of Bands, Group Song (Western), Debate (Hindi), and JAM (English), plus second places in Nach Baliye, Painting, and Folk Dance.

ON THE SPOT PAINTING

The On-the-Spot Painting Competition at Anugoonj was a key highlight, featuring finalists from various colleges. Participants painted on the theme "Starry Nights" within a two-hour time limit. Divya Bhandari from B.Com final year represented her college in the event. The competition was well-organized, with all materials provided and a focused atmosphere. Judges assessed the artworks based on creativity, technique, and adherence to the theme.

BATTLE OF BANDS

The Anugoonj 2025 Battle of Bands was held at GGSIPU's main campus with 11 participating teams from IPU-affiliated colleges. The event provided a platform for students to showcase their musical talent and connect with the audience. Engravers from IITM won the competition with their creativity and crowd engagement. USS East Delhi Campus secured the second runner-up position with an impressive performance. The event was a resounding success, celebrating musical diversity and student creativity.

FOLK DANCE

The Folk Dance competition at Anugoonj 2025 was held on February 25 at GGSIPU, showcasing vibrant traditional dances by 13 teams, including IITM. Performers impressed with colorful costumes, synchronized choreography, and strong cultural expression. Judges assessed technique, stage presence, and authenticity, ensuring a fair evaluation. The energetic event captivated the audience and highlighted Anugoonj's celebration of cultural diversity.

INDUSTRIAL VISIT / EDUCATIONAL VISIT

INDUSTRIAL VISIT TO MOTHER DAIRY

The Department of Management Studies and IIPC, IITM, organized an industrial visit to Mother Dairy on 6th March 2025 for 46 BBA Semester II students to gain practical exposure in dairy processing and supply chain management. Students toured the production and packaging units, learning about milk processing, quality testing, and hygiene protocols. They also explored logistics, distribution, and inventory management, followed by an interactive session with Ms. Neha on marketing and sustainability. The visit provided valuable insights into real-world business operations and was both educational and enjoyable.

TRAINING PROGRAMMES

IN-HOUSE INDUSTRIAL SKILL BASED TRAINING PROGRAM

The Department of Management, IITM, conducted a 60-hour skill-based training for BBA 1st-year students from 6th to 15th January 2025 on Advanced Excel and SPSS. Expert trainers Ms. Priya, Mr. Abhinash Jena, and Mr. Gopi Krishna guided students through practical sessions, quizzes, and assignments. Students learned data management, statistical analysis, and reporting, applying their skills in real-world scenarios. The program enhanced analytical, problem-solving abilities and confidence, with support from Prof. (Dr.) Rachita Rana and the trainers.

ONE-WEEK WINTER TRAINING PROGRAM ON IOT

The Department of Computer Science, IITM, in collaboration with the BDCC Laboratory, Jamia Millia Islamia, proudly organized a One-Week Winter Training Program on Integrating and Utilizing Sensors for IoT in Diverse Real-World Scenarios from January 6–11, 2025. Led by esteemed resource persons, Prof. Mansaf Alam (Jamia Millia Islamia) and Dr. Manzoor Ansari (IITM), the program empowered BCA and MCA students with comprehensive knowledge of IoT fundamentals, hands-on sensor integration, and practical IoT solutions.
