

JIGYASA

NEWSLETTER

INSTITUTE OF INFORMATION TECHNOLOGY AND MANAGEMENT

Affiliated to Guru Gobind Singh Indraprastha University (GGSIU), Govt. of NCT of Delhi
Accredited Grade 'A' by NAAC, Approved by AICTE,
Rated as Category 'A+' by SFRC & 'A' by JAC Govt. of NCT of Delhi,
Recognized under Section 2(f) of UGC Act,
Ranked among Top 100 B-Schools.

VISION

The Institute aims to be a Centre of Excellence, promoting value based quality education in the contemporary areas of advanced professional studies in Information Technology, Management and Media studies.

MISSION

IITM endeavors

- To promote learning environment that delivers students with up to date curriculum & pedagogy equipping them with strong analytical mind, thinking ability, entrepreneurial and organizational skills required in a dynamic professional environment,
- To foster strategic alliance with industry for real time business exposure,
- To inculcate human values like ethical, social and moral values amongst students.

PHILOSOPHY

- Quality Education (Academic Excellence skill & Leadership)
- Training (inclusive of Upskill, Reskill)
- Consistency
- Empathy & Understanding
- Innovation

Dear Readers,

We're thrilled to present the latest newsletter, highlighting the exciting activities that happened within our academic community. JIGYASA, our event catalog, started with great enthusiasm, setting a promising tone for upcoming activities.

Last semester was filled with moments of pride and achievement as our students excelled in various fields, bringing laurels to our institute. This success is entirely credited to the tireless dedication of the IITM management and staff, who consistently gave their best to institute events and activities, creating an environment conducive to student growth and success. We extend our sincere gratitude to the entire IITM community for their efforts.

Special recognition is owed to our students, whose active participation in academics and extracurriculars enriches the pride of our institute. Their enthusiasm significantly contributes to the vibrant academic culture we cherish.

As we celebrate our accomplishments and look forward to future endeavors, the newsletter stands as a testament to our institute's collective excellence and unity.

Best wishes,
Editorial Board

FROM THE CHAIRMAN'S DESK

Shri J. C. Sharma
(Chairman)

I am delighted to unveil the biannual edition of JIGYASA, a reflection of the vibrant academic and co-curricular spirit of the IITM community. At IITM, we believe that education is a continuous and evolving journey that transcends the boundaries of classrooms, encompassing recreational pursuits, community engagement, and social responsibility. The JIGYASA newsletter stands as a testament to IITM's journey since its inception. It not only chronicles the academic and co-curricular milestones of each semester but also celebrates the institution's outstanding achievements in placements and academics. We are devoted to fostering an environment where students refine vital competencies such as communication, critical thinking, analytical reasoning, problem-solving, teamwork, and collaboration. I wish all IITM members and students a successful, healthy and productive academic year ahead.

FROM THE DIRECTOR'S DESK

It gives me great pleasure to present this edition of JIGYASA, showcasing the achievements of IITM students. In today's fast-changing educational landscape, we aim not only to provide academic knowledge but also to instill values, adaptability, innovation, and social responsibility. At IITM, we are committed to nurturing future-ready professionals who excel in their careers and as responsible citizens. Our focus on curriculum advancement, modern infrastructure, and digital integration reflects our vision of holistic learning. Let us work together to make IITM a symbol of academic excellence, ethics, and societal impact. Wishing everyone an inspiring academic year ahead.

Prof. (Dr.) Rachita Rana
(Director)

ACADEMIC ACHIEVEMENTS

IITM is accredited with 'A' grade by NAAC. It is a Category 'A+' Institute judged by SFRC, Government of NCT of Delhi. The institute has been honored with top awards and rankings. IITM has been ranked 15th in Delhi NCR & 50th all over India as per Times B School Placement Ranking Survey 2024. It has also received a Certificate of Excellence in Technical Programme at the Times Business Awards. At IITM, we nurture excellence and inspire dreams. The institute has highly qualified faculty who not only focuses on academics but also imparts value-based quality education along with the development of effective communication skills, critical thinking skills and problem-solving skills in students. The faculty of IITM continuously strive to excel in their performance. Various co-curricular and extracurricular activities of the institute enable students to apply theoretical and practical knowledge to meet the corporate world's challenges. The online FDP on "NEP Orientation and Sensitisation" (Sept 3–13, 2024), organized by MH-MMTTC in collaboration with IITM, equipped educators with deep insights into NEP 2020, fostering skills to implement multidisciplinary, tech-integrated, and inclusive teaching approaches aligned with India's evolving education system.

STUDENTS ACHIEVEMENTS

Achievements determine a student's learning process and enhance academic performance. At IITM, students excel not only in academics but also in co-curricular activities like music, dance, and fieldwork, ensuring holistic growth. The institute recognizes and celebrates their achievements to boost confidence and inspire further success. Our students participated in various cultural, co-curricular and many other competitions. With unwavering support from faculty, students apply their learning, develop critical thinking, and achieve their academic and career goals. Congratulations to all toppers and achievers for their dedication and hard work, bringing pride to IITM!

DEPARTMENT OF MANAGEMENT STUDIES

The Department of Management Studies is firmly committed to imparting quality education to students by developing their skills to make them industry-employable ready. The eminent personalities from the industry are regularly invited in the department to share their experiences and help students understand the gap to be filled between academia and industry. The Management department has organised FDP on “Quality Education and Accreditation: NEP 2020” to upgrade teaching and research skills of faculty. It has organised various workshops like workshops on Minor Projects, workshops on Tally International Certification, workshops on Financial Derivatives, etc. to keep students more proactive and giving them a flavor of the corporate world. The students are also undergoing various Massive Open Online Courses (MOOC) from NPTEL, Swayam, Alison, Intershala, Edx, and an E-Learning programs conducted by NIESBUD. Apart from this, the department always motivates students to participate in curricular & co-curricular events held in-house and by other institutions. To promote learning skills and to develop creative and inventive thinking in students, the department organizes industrial and educational visits. The management club also organizes events covering every functional area of management such as HR, Marketing and Finance both at inter and intra- college levels. In addition, the department also motivates students to write and present research papers at IITM and other institutes.

PILLARS OF IITM

ADMINISTRATIVE & SUPPORTING STAFF

VISION OF MANAGEMENT STUDIES

Department of Management Studies aims to promote value-based quality education to the students, impart skills & training in the management and allied areas.

MISSION OF MANAGEMENT STUDIES

Department of Management Studies (DMS) strives

- To prepare students as professionals through interactive, research-driven and experiential learning which is well integrated in the pedagogy.
- To provide a multidisciplinary environment for life-long learning that shall be focused on skilling, reskilling and upskilling, thereby equipping students with abilities necessary to succeed in a diverse, global business environment.
- To cultivate a diverse and inclusive ecosystem through innovative entrepreneurship, constructive public engagement and proactive community involvement engendering socially responsible decision makers.

Program Outcomes, Program Specific Outcomes & Program Educational Objectives of MBA Program

Program Outcomes (PO):

- PO1: Understand and apply management concepts, principles, and theories in organizational practices.
- PO2: Use analytical and critical thinking to assess business environments, opportunities, and risks.
- PO3: Formulate and implement integrated business, functional, and operational strategies.
- PO4: Make informed decisions on resource mobilization and efficient utilization.
- PO5: Analyze management problems, gather relevant data, and apply creative solutions.
- PO6: Recommend IT-based interventions to achieve organizational goals.
- PO7: Uphold good governance, ethics, CSR, and long-term societal welfare.
- PO8: Demonstrate effective communication, teamwork, and leadership skills.
- PO9: Adopt lifelong learning for professional, personal, and social excellence.

Program Specific Outcomes (PSO):

- PSO1: Demonstrate discipline and interdisciplinary knowledge in management and allied areas for impact-oriented decision-making.
- PSO2: Apply professional, critical, and analytical thinking skills to solve problems across management domains.
- PSO3: Design and implement innovative business strategies, showcasing research proficiency in real-world corporate scenarios.
- PSO4: Exhibit interpersonal and social skills, lifelong learning, entrepreneurial acumen, leadership, and adaptability to dynamic business environments.

Program Educational Objectives (PEO):

- PEO1: Equip students with domain knowledge, professional skills, and aptitude for effective leadership in a global environment.
- PEO2: Foster societal, ethical, and ecological responsibility, shaping students into lifelong learners and responsible citizens.
- PEO3: Develop practical skills and research capabilities to encourage creative and reflective thinking for dynamic corporate adaptation.
- PEO4: Build entrepreneurial, interpersonal, and collaborative skills through experiential and innovative learning methods.

Program Outcomes, Program Specific Outcomes and Program Educational Objectives of BBA Program

Program Outcomes (POs):

- PO1: Develop conceptual knowledge and understanding of management theories and practices.
- PO2: Apply critical and analytical thinking for effective business decision-making.
- PO3: Enhance communication and leadership skills to navigate dynamic, global business environments.
- PO4: Use business intelligence and research to create innovative solutions for varied business situations.
- PO5: Promote responsible citizenship, sustainability, and respect for diverse cultures with universal values.

Program Specific Outcomes (PSOs):

- PSO 1: Apply reflective thinking and research skills using latest technological tools
PSO 2: Assimilate technical functional knowledge of operations in business organization
PSO 3: Demonstrate strategic and proactive thinking towards business decision making
PSO 4: Illustrate negotiation skills and networking abilities

Program Educational Objectives (PEOs):

- PEO1: Develop leadership and communication skills to prepare students as successful business leaders and managers.
- PEO2: Foster critical thinking, analytical ability, and initiative in students.
- PEO3: Enhance problem-solving skills through experiential learning and innovative pedagogy for effective knowledge application in careers.
- PEO4: Build awareness of the dynamic business environment aligned with global imperatives and ethical values.

Program Outcomes and Program Specific Outcomes of B.COM(H) Program

Program Outcomes:

- PO1: Develop comprehensive understanding of overall business and financial environment in India
- PO2: Exhibit in-depth knowledge of financial operations and decision making in an organisation
- PO3: Enhance problem-solving abilities for decision making in financial services and operations
- PO4: Augment critical thinking skills and analytical abilities to analyze business data using various techniques and technological tools
- PO5: Communicate effectively, articulate accurately and present professionally
- PO6: Create an inclusive culture with congenial interpersonal relationships
- PO7: Lead productive and proactive teams
- PO8: Demonstrate awareness of ethical issues and sensitivity towards social and environmental challenges
- PO9: Execute a Research Project using appropriate Research Design and suitable Data Analysis Techniques

Program Specific Outcomes:

- PSO1: Demonstrate an understanding of technological interventions in Finance
- PSO2: Augment skills for investments and trading in capital markets
- PSO3: Develop understanding on Banking and Financial services in India
- PSO4: Apply quantitative techniques and tools in Commerce
- PSO5: Imbibe human values and sense of responsibility towards self, society and environment
- PSO6: Undergo holistic personality development with skills for effective functioning

DEPARTMENT OF INFORMATION TECHNOLOGY

The Institute of Information Technology and Management Janakpuri established the Department of Information Technology in 1999. Committed to fostering innovation in the field of Information Technology, the department has implemented best practices to enhance quality and ensure the sustained excellence of its operations. Over the years, our MCA and BCA students have consistently excelled, securing top positions in university results. The department places a strong emphasis on facilitating the best placement opportunities for students, with sessions on Technical Support and Aptitude forming a core part of its pre-placement support. Eminent industry professionals are invited to conduct these sessions, contributing to the holistic development of students. The department also actively engages students with emerging technologies through consultancy for industry projects and value-oriented initiatives.

To stay current with the latest technologies, the CS department organizes Project Trainings during winter and summer vacations, focusing on emerging technologies. Students successfully complete certification courses from reputable platforms such as TCS, ICT Academy, Coursera, Edx, etc. Furthermore, the department encourages both faculty members and students to enroll in MOOCs courses. The Department of Computer Science maintains a research orientation in diverse fields, including Artificial Intelligence, Data Mining, Machine Learning, Security, and Data Analytics. Students actively participate in both curricular and extracurricular activities, ensuring a well-rounded educational experience at the institute.

VISION OF IT DEPARTMENT

The Department of Computer Science aims to promote value based quality education to the students and impart skills and training in the field of information technology and allied areas to meet the industry demands.

MISSION OF IT DEPARTMENT

The Department of Computer Science strives

- To deliver rigorous education in computer science through innovative pedagogy that empowers students with the knowledge and skills required to excel in a dynamic technological landscape.
- To foster multidisciplinary knowledge, skills and collaborations by promoting ethical standards and responsible innovation through learn-unlearn and relearn to enhance societal impact.
- To cultivate professional excellence and entrepreneurial skills by integrating industry-relevant knowledge with hands-on experience to equip students to lead, innovate, and create impactful solutions in global environment.

Program Educational Objectives (PEOs) of Computer Science Department

Program Outcomes of BCA Program

- PO1: Apply computer application and domain knowledge to solve IT industry problems.
- PO2: Identify, analyze, and review complex computing problems for workplace and societal needs.
- PO3: Design and evaluate solutions and processes considering health, safety, cultural, societal, and environmental aspects.
- PO4: Select and apply appropriate modern computing tools with awareness of their limitations.
- PO5: Adhere to professional ethics, cyber laws, and norms of computing practice.
- PO6: Engage in lifelong independent learning for continuous professional growth.
- PO7: Apply computing and management principles for project management and teamwork in multidisciplinary settings.
- PO8: Communicate effectively through reports, documentation, presentations, and teamwork.
- PO9: Address societal, environmental, health, safety, legal, and cultural issues in professional computing contexts.
- PO10: Pursue innovation and entrepreneurship to create value and benefit society.

Program Specific Outcomes (PSOs) for BCA Program

- PSO1: Possess comprehensive and coherent knowledge of computer applications, domains, and emerging developments in Computer Science & IT.
- PSO2: Apply practical, professional, and procedural knowledge for skilled work in IT, self-employment, and entrepreneurship.
- PSO3: Demonstrate specialized skills in chosen areas, handling varied routine and non-routine contexts in computer applications.
- PSO4: Adapt learned concepts to real-life situations, applying competencies to unfamiliar contexts for problem-solving.

Program Educational Objectives:

- PEO1: Demonstrate technical, practical, and professional knowledge with continuous learning for global career readiness.
- PEO2: Apply core computer science principles, critical thinking, and problem-solving to innovate and address complex technological challenges.
- PEO3: Uphold ethical standards, show social and environmental responsibility, and promote sustainable practices through professional achievements.
- PEO4: Exhibit strong communication and teamwork skills for effective collaboration in diverse professional settings.

Program Outcomes, Program Specific Outcomes & Program Educational Objectives of MCA Program

Program Outcomes (PO):

- PO1: Apply computing, math, and domain knowledge.
- PO2: Analyze and solve complex problems.
- PO3: Design efficient and safe solutions.
- PO4: Investigate and draw valid conclusions.
- PO5: Use modern tools effectively.
- PO6: Practice computing ethically.
- PO7: Engage in lifelong learning.
- PO8: Apply management to projects.
- PO9: Communicate effectively in reports/presentations.
- PO10: Address societal and environmental issues.
- PO11: Work effectively in teams.
- PO12: Apply innovation and entrepreneurship.

Programme Education Objectives (PEOs) – MCA

- PEO1: Demonstrate professional competence and knowledge as successful technocrats.
- PEO2: Apply creativity and innovation to solve real-life complex problems.
- PEO3: Pursue lifelong learning and contribute to society's betterment.
- PEO4: Lead effectively and face challenges of the dynamic global world.

Established in 2004, the Industry Institute Partnership Cell (IIPC) at IITM Janakpuri serves as a vital liaison between the institute and the industry. This dynamic cell identifies industrial expectations, fostering institutional readiness through initiatives such as internships, seminars, workshops, placements, and various industrial training programs. The collaboration between the institute and industry is evident in equipping faculty with the latest practices and ensuring students are industry-ready through exposure to current industry practices.

IIPC plays a crucial role in honing students' skills to adapt to evolving technologies. The primary focus lies in engaging with major companies across different industries to establish partnerships in the near future. The Central Training & Placement Cell is dedicated to meeting students' career objectives and addressing the Human Resource needs of organizations by facilitating campus interviews for graduating students.

Key Objectives of IIPC:

1. Main goal is to set up pre-placement training for students.
2. Locate chances for students to work on projects in various sectors.
3. Promote department-level partnerships or memorandums of understanding with businesses for both parties' benefit.
4. Use targeted industrial training and trips to enhance the teaching-learning process.
5. Invite professionals in the field to share their knowledge and give guest lectures and seminars. '
6. Help businesses choose qualified applicants by conducting campus interviews and offering students career counselling.

InternWare – The Internship Cell (Aspire to Inspire!):

- [InternWare Website](<https://iitminternware.com>)
- [InternWare Facebook Page](<https://facebook.com/internware>)
- [InternWare Instagram Page](<https://instagram.com/internware>)

When stepping into the corporate world, an introduction is more than a mere formality; it's an expansive exposure that delves into discovering one's dynamic skills and hidden potential. InternWare, the Internship Cell of IITM Janakpuri, was established by bright students on September 26, 2017, with the clear motive of assisting students in securing internships in their preferred roles and areas to gain relevant experience.

InternWare operates with a structured approach, hosting diverse events such as workshops, competitions, corporate sessions, and industrial visits to keep students engaged and prepare them for their corporate journey. Comprising five departments—Corporate Relations, Business Development, Management, Technical, and Qontent Media—InternWare functions like a small corporate entity, providing optimal exposure to team members. The cell continues to grow, selectively inducting team members with the best abilities and matching skills.

OUR MAJOR RECRUITERS

IITM has a duly formed Alumni Association namely “Institute of Information Technology & Management Alumni Association” since Jan 29, 2011. It is active and duly functioning with following major objectives.

- To promote and foster beneficial interaction between the Alumni and the Alma Mater.
- To undertake activities of nation building including those of charitable nature for overall betterment of society.
- To facilitate and encourage alumni to contribute towards improvement in the areas pertaining to infrastructure, industry interactions with institute.
- To generate corpus for creating better facilities for the institute community.
- To assist students of the institute through grants, scholarships and prizes or any other area as found important.

The Alumni Association has clear set of rules and regulations related to Membership, Subscription, Appeals, Termination of Membership, Re-Admission, General Body composition; its meetings and functions, formation of Executive Committee; its composition, election, tenure and functions which set the tone for smooth functioning of the association.

Alumni Association of IITM is registered with the Registrar of Societies, Govt. of Delhi under Societies Registration Act XXI of 1860 (Registration no: S/WEST/2011/8900163). The office of the Society is located at Institute of Information Technology & Management, D-29, Institutional Area, Janakpuri, New Delhi-110058.

Official contact: alumni@iitmipu.ac.in & 011-28525051, 28525882 Alumni Association prints its own **Annual Alumni Magazine – “Essence”** which gives an opportunity to Alumni to contribute articles in contemporary areas, share thoughts and advice with junior batches which can help them to progress in their career.

Volume 1 : Academic
Session 2020-21

Volume 2 : Academic
Session 2021-22

Volume 3 : Academic
Session 2022-23

Volume 4 : Academic
Session 2023-24

Alumni Association have also introduced series on 'Alumni Speak' in 2024 where Alumni from diverse backgrounds interact with junior or current batches (in online or offline mode) to share their corporate journey and motivating these students to take a right call in their professional sphere.

8	09.11.2024	Educational Visit To Jamia Millia Islamia, New Delhi	Mr. Manzoor Ansari

GUEST LECTURERS

RESUME WRITING: AN ESSENTIAL TOOL FOR CAREER PLANNING

The session on “Resume Writing: An Essential Tool for Career Planning,” held on 5th November 2024, guided students on how to structure, format, and tailor resumes for job applications. Dr. Ishita Adhikari shared tips on avoiding common mistakes and using ATS effectively. The Q&A session helped clear students' doubts.

EXPERT LECTURE ON DEEP LEARNING & ITS APPLICATION

The Department of Computer Science, IITM, organized an expert lecture on “Deep Learning and its Application” on 3rd October 2024 for BCA students. Mr. Usman, Assistant Director, NIC (MeitY), led the session, engaging 70 students with real-world applications and cutting-edge technologies in deep learning. The lecture was informative, interactive, and enriching, enhancing students' foundational knowledge and hands-on skills.

TEAMING FOR SUCCESS: A HAND-ON SESSION ON TEAM BUILDING

On 10th October 2024, IITM's Management Club hosted a team-building session for 217 students. Dr. Shilpa Jain from GGSIPU discussed teamwork, communication, and leadership, explaining the team-building process and its stages with interactive insights.

LEGAL ASPECTS IN BUSINESS

The Department of Management Studies, IITM organized an expert session on Legal Aspects of Business for MBA students on 18th September 2024, helping them understand key legal principles, court systems, and laws relevant to business. The session enhanced students' awareness of the legal environment in which businesses operate.

COLLEGE TO CAREER: KEY SKILLS FOR SUCCESS

On 18th September 2024, IITM's Management Department hosted an alumni session with Ms. Arleen for BBA students. She shared career-building tips on networking, time management, communication, and professionalism. The Q&A session addressed concerns about entering the workforce.

CAREER GROWTH HACKS: STRATEGIES FOR SUCCESS

On 3rd October 2024, IITM's Management Department held an alumni session with Dr. Parul Manchanda for BBA students. She shared career growth strategies, covering networking, personal branding, leadership, and online profile management.

EXPERT LECTURE ON INVESTMENT BANKING

The Department of Management Studies, IITM organized a subject expert lecture on Investment Banking on 28th September 2024, attended by 35 participants, to share industry insights and trends, enabling students to apply theoretical concepts to real-world business problems.

PRE PLACEMENT PRACTICE SESSION - JAVA, FOR MCABATCH, BY IIPC

On 19th December 2024, IITM held a Java Pre-Placement Practice Session for MCA students. Led by Dr. Pankaj Varshney. The session focused on Java basics, problem-solving, and coding interviews, boosting students' skills and confidence for the JOSH Technology placement.

EMERGENCY FIRE MOCK DRILL

On 30th September 2024, IITM held an Emergency Fire Mock Drill to boost fire safety awareness. Organized by the Disaster Management Committee, it included evacuation, extinguisher training, and the P.A.S.S. technique, enhancing participants' emergency preparedness.

AI IN DIGITAL MARKETING

On 26th September 2024, the Department of Computer Science at IITM organized an expert session on “AI in Digital Marketing” by Mr. Jay Dattani. The session provided students with insights into how AI is revolutionizing marketing strategies, offered hands-on exposure to AI tools, and highlighted emerging industry trends and career opportunities.

BASICS OF INVESTMENT & DEPOSITORY SERVICES

IITM organized a guest lecture on "Basics of Investment & Depository Services" on 26th September 2024, for BBA-I Year students. Dr. Shikha Gupta (SEBI SMARTs, RP-CDSL) provided insights into investment principles, savings, and financial markets. Students learned about depositories, stock exchanges, and investment risk management, gaining confidence in navigating financial markets.

CORPORATE SKILLS AND CAREER OPPORTUNITIES FOR MBA STUDENTS

The Department of Management Studies at IITM organized an alumni interaction on Corporate Behavioural Skills and Career Opportunities for MBA students, where speakers highlighted teamwork, productivity strategies, and career planning, helping students understand essential workplace skills and opportunities.

WORKSHOPS

LANQUILL

The Lanquill Software Workshop, conducted on 23rd August 2024, introduced students to an English proficiency tool, enhancing reading, writing, vocabulary, grammar, and speaking skills. Conducted by MBA students, it included a live demo, interactive modules, and Q&A session. Students gained confidence for academic and professional communication.

FINANCIAL EDUCATION FOR YOUNG INDIA

The Management Club at IITM organized a 10-hour workshop titled "Financial Education for Young India," led by Dr. Shikha Gupta, on 13th–14th November 2024. The workshop equipped BBA & MBA students with practical skills in budgeting, investing, and financial markets, while also exploring career opportunities in finance.

WORKSHOP ON NATURAL LANGUAGE PROCESSING

The Department of Computer Science at IITM organized a workshop on Natural Language Processing for final-year BCA students on 7th October 2024, where Dr. Shubhra Goyal discussed ML, NLP fundamentals, real-world applications, and career prospects, deepening students' understanding of this transformative technology.

YOGA & MEDITATION SESSIONS

The Yoga & Meditation Workshop, conducted from 14th to 16th October 2024, helped students manage academic stress and anxiety through mindfulness techniques. Conducted over three days, the session focused on yoga, breathing exercises, and introspection. Students improved concentration, mental clarity, and self-awareness, fostering emotional well-being and personal growth.

HAPPINESS INDEX

TALENT HUNT

IITM's Music, Dance, and Dramatic Societies hosted their 2024 Talent Hunt auditions between 28th August and 3rd September, providing a platform for students to showcase singing, dancing, and acting skills. The events uncovered exceptional talent, fostered cultural integration, and strengthened the institute's vibrant artistic community.

MR. & MISS FRESHERS CONTEST

The Cultural Committee of IITM organized the “Mr. & Miss. Fresher’s Contest 2024” on 7th September 2024, as the grand inauguration of the academic year. The contest aimed to welcome new students and showcase their talents through three rounds: Introduction, Talent, and Q/A. Out of 32 participants, five boys and five girls were selected for the final round. The event saw enthusiastic involvement from various departments, with free registration and participation. The winners included Kashvi Mahajan (BBA) and Vishesh Sapra (B.Com H). Thus, making it a vibrant and engaging platform for freshers to display their skills.

ORIENTATION & INDUCTION PROGRAMME

B.COM(H)

The Institute of Information Technology and Management, Janakpuri, hosted the B.Com (Hons.) Orientation on 7th August 2024, welcoming new students with inspiring sessions. Led by Prof. (Dr.) Rachita Rana, the event featured insights from faculty, industry experts, and alumna Ms. Durdana Naseer. Speakers emphasized education, career opportunities, and student engagement. The program fostered a sense of community and set a positive tone for the academic journey ahead.

NSS ORIENTATION

The NSS Orientation Session at IITM on 7th September 2024 introduced BBA II-year students to the NSS framework and upcoming initiatives. Led by Khushboo Kapoor and Satvik Nagpal, the session engaged 60 students in an interactive discussion on community service. Students showed strong interest, proposed ideas, and requested leadership workshops, marking a successful step toward fostering active participation and commitment to social welfare.

DEEKSHARAMBH: ORIENTATION PROGRAMME BBA

The BBA 2024-28 Orientation Programme at IITM, conducted from 9th to 13th September 2024, introduced first-year students to the curriculum, academic expectations, and career opportunities. It included sessions on MOOCs, Business Economics, Accountancy, Goal Setting, and Public Speaking, led by faculty members. Students were also briefed on internships, placements, the Internal Complaints Committee (ICC), and bridge courses to help them transition smoothly into the program. The event fostered networking among students and faculty, equipping them with essential skills for their academic journey.

ORIENTATION SESSION ON IMPACTFUL CV MAKING

The Orientation Session on “Impactful CV Making” on 10th October 2024 at IITM guided students on crafting effective CVs, securing internships, and interview preparation. The resource person Ms. Sushmita Jaipuria, covered resume structuring, skill highlighting, networking, and industry-specific tailoring, with hands-on training to enhance employability.

EXTRA CURRICULAR ACTIVITIES

EYE CAMP FOR SENIOR CITIZENS

The NSS Cell of IITM, in collaboration with the 24x7 Care Foundation and Centre for Sight, organized an “Eye Care Camp” for senior citizens on 1st October 2024. The camp, benefited around 90 seniors by providing free eye check-ups and treatment. Dr. Vinayak Gupta later delivered a talk on preventive healthcare and healthy living. The event raised awareness about eye health and refreshments were provided to attendees.

STAR CAST INTERACTION AND MUSIC LAUNCH OF "EMERGENCY"

Students of IITM Janakpuri attended the Emergency Movie launch event at Pradhanmantri Sangrahalaya on 31st August 2024. They interacted with the cast, learned about filmmaking, media relations, and music's role in storytelling. The experience enriched their understanding of film journalism, history, and event management, bridging theory with real-world exposure.

FDP ON "NEP ORIENTATION AND SENSITISATION"

The FDP on "NEP Orientation and Sensitisation", organized by MH-MMTTC in collaboration with IITM, from 3 September - 13 September 2024 equipped educators with deep insights into NEP 2020, fostering skills to implement multidisciplinary, tech-integrated, and inclusive teaching approaches aligned with India's evolving Education system.

POSTER MAKING COMPETITION

The NSS Cell and Environment & Sustainability Committee of IITM organized a Poster-Making Competition on 9th October 2024. It includes themes like Garba as Devotion and Zero-Waste Navratri. Students showcased creativity. Winners received trophies and certificates, all participants got e-certificates. The event promoted cultural celebration, empowerment, and sustainability in a joyful atmosphere.

WEB INNOVATE-2024- WEBSITE DESIGN

The Web Innovate-2024 Website Design Competition, held on 20th August 2024, aimed to showcase students' creativity and technical skills in web design. It encouraged innovation and critical thinking through themes like Digital India, Sustainable Development, Education, and Agricultural Revolution. The event provided a platform for students to explore ideas, enhance design capabilities, and present solutions that envision India's future growth and development, inspiring participants to contribute meaningfully to the nation's progress in the coming decades.

POSTER MAKING COMPETITION

The Environment and Sustainability Committee (USC) of IITM, in association with the NSS Cell and Eco-club of Delhi NCT, organized an online Poster Making Competition on 28th October 2024. The Competition focused on themes like Climate Change, Renewable Energy, Conservation of Resources, and Pollution Control, the event encouraged students to creatively address environmental challenges. This provided a platform for students to engage thoughtfully and contribute innovative ideas towards sustainable practices and environmental awareness.

NSS DRIVE

On 20th December 2024, the Environment Sustainability Committee at IITM organized an event titled "Deal with My Burst - Light a Driving Change," focused on promoting road safety, reducing pollution, and ensuring efficient movement during traffic signals. The event highlighted the importance of responsible behavior at red lights and was part of a broader initiative to address pressing environmental and traffic concerns, encouraging participants to contribute towards a safer and cleaner environment.

INSTITUTE INTERNAL HACKATHON-2024

The Institute Internal Hackathon-2024, organized by the Department of Computer Science and the IITM Software Development Cell, was held on 31st August 2024, to prepare top teams for the Smart India Hackathon (SIH). Teams of six, including at least one female participant, tackled real-world challenges from the SIH website. The event fostered innovation, technical excellence, and collaboration. Teams were judged on the basis of creativity, technical complexity, impact, scalability, user experience, and presentation quality.

'PLANT4MOTHER'/ 'EK PED MAA KE NAAM'

The NSS Cell, in collaboration with the Environment and Sustainability Committee, organized the two-month plantation drive 'Ek Ped Maa Ke Naam' from July–August 2024, with 40+ students and faculty participating. Conducted in three phases across campus, neighborhood, and homes, the initiative promoted environmental awareness, campus beautification, and community engagement, leaving participants proud to contribute to sustainability.

CLEANLINESS DRIVE

The NSS and Environment & Sustainability Committee, in association with Eco Club, NCT Delhi, organized a Cleanliness Drive on 27th August 2024 with 20+ student volunteers. The initiative promoted hygiene, waste segregation, and eco-friendly disposal, fostering responsibility and teamwork for a cleaner and greener campus.

CYBER CRIME AWARENESS CAMPAIGN FOR SENIOR CITIZENS

The NSS Cell of IITM, in collaboration with West District Police and 24x7 Care Foundation, organized a Cyber Crime Awareness Campaign for 90 senior citizens on October 1, 2024. The 3-hour session included expert talks on cyber safety, laughter therapy, and community engagement, empowering seniors to recognize online scams, adopt safe internet practices, and enhance digital literacy for a safer online experience.

HAR GHAR TIRANGA

The NSS students of IITM participated in the Har Ghar Tiranga Campaign organized by GGSIPU on 13th August 2024 at Yashobhoomi Convention Centre, Dwarka, with 16 students attending. The event fostered patriotism, unity, and awareness about the Indian National Flag, with a proud highlight being BCA student CHM Swarn Priya Mallick escorting the Hon'ble Lt. Governor of Delhi during the program.

EDUCATIONAL VISIT TO SUNDER NURSERY

The BBA Department of IITM organized a one-day educational visit to Sunder Nursery on 17th September 2024 for BBA 2020 batch students. Fifty-four students participated, exploring diverse flora, fauna, and historical monuments. The visit aimed to raise awareness about environmental conservation and heritage. Starting at 9:30 am on a pleasant spring day, students enjoyed learning outdoors and captured photos of the scenic surroundings. The trip successfully inspired interest in biodiversity and ecological preservation.

VISIT TO AMRIT UDYAN

The Department of Commerce, IITM, organized an educational visit to Amrit Udyan on 12th September 2024, for B.Com (Honors) students. They explored themed gardens, Bal Vatika, Bonsai Garden, and a museum showcasing India's rich history and cultural artifacts. Students learned about various plant species and gained insights into the lives of Indian political leaders. The peaceful environment promoted mental well-being and fostered appreciation for nature, history, and cultural preservation, encouraging responsibility toward environmental conservation.

NSS CELL VISIT TO LOTUS TEMPLE FOR CULTURAL ENRICHMENT

The NSS Cell of IITM organized a visit to the Lotus Temple on 9th October 2024, to explore its architectural and cultural significance. A guided tour began at the Information Center with an introductory film on the Baha'i House of Worship. Students learned about the Baha'i faith's values of unity and attended a peaceful prayer session with scriptures in various languages. The serene environment provided a refreshing and enriching experience for all participants.

VISIT TO ATUL INCUBATION CENTRE, GGSIPU

On 23rd August 2024, the Department of Management Studies organized an educational visit to the Atal Incubation Centre (AIC) at GGSIPU, Dwarka, for BBA students. The visit offered hands-on exposure to the entrepreneurial ecosystem, focusing on startups, SME management, and business development. Industry experts shared valuable insights, helping students understand real-world challenges and opportunities. The visit broadened their perspectives and equipped them with essential skills for future careers in business and entrepreneurship. It was highly informative and well-received.

VISIT TO MGICCC

On 16th October 2024, the NSS Cell and ED Cell of IITM organized a visit to the Mahatma Gandhi Institute for Combating Climate Change (MGICCC). The training focused on waste segregation, recycling, and sustainable practices. Sessions covered waste types, environmental impact, and turning waste into earning opportunities, with insights from Dr. Narender Kumar. A guided tour by Mr. Harish showcased recycling and composting methods. The visit inspired students to adopt eco-friendly practices and promote sustainability in their communities.

EDUCATIONAL VISIT TO DELHI TECHNOLOGICAL UNIVERSITY (DTU)

On 18th September 2024, 48 second-year BCA students from IITM, accompanied by Ms. Priyanka Rattan & Ms. Lakshmi Kumari, visited Delhi Technological University. They explored modern educational technologies and the UAS Lab, gaining insights into real-world drone projects and participating in live demonstrations, enhancing their hands-on experience in drone technology.

"BHARAT KA SHARE BAZAAR", IITF

Students visited the Bharat Ka Share Bazaar Pavilion at the India International Trade Fair (IITF) on 20th November 2024, gaining valuable insights into stock market operations, investment precautions, and fraud prevention. The interactive session enhanced financial literacy, teaching key investment strategies and the importance of informed decision-making. The visit fostered a deeper understanding of financial markets and inspired students to explore finance further. Participants received gifts and certificates, making the experience both educational and memorable.

EDUCATIONAL VISIT TO JAMIA MILLIA ISLAMIA, NEW DELHI

On 9th November 2024, 30 final-year BCA students from IITM, guided by Dr. Manzoor Ansari, visited JMI's BDCC Lab to explore advancements in Big Data, Cloud Computing, and IoT, gaining practical exposure to cutting-edge research and technologies. On 9th November 2024, 30 final-year BCA students from IITM, guided by Dr. Manzoor Ansari, visited JMI's BDCC Lab to explore advancements in Big Data, Cloud Computing, and IoT, gaining practical exposure to cutting-edge research and technologies.
